List No.	Project Name	Estimated Cost	Subcommittee Proposal Description	Bucket	Expected Expenditure Category	Revenue Replacement	Total Frequency	IDs	Form/Additional Info	Notes
1	VisitLEX/Hospitality Industry Recovery	\$1,000,000	As has been noted, both at the local level and at the national level, the hospitality industry was the hardest hit by the pandemic and will be the last to fully recover. The most immediate and effective way to communicate that Lexington is open for M & C group business is through a comprehensive and aggressive destination marketing campaign, which VisitLEX will develop and manage. This is the #1 way to reopen and reignite the hospitality sector of our economy.	Economic Growth	2.11 Negative Economic Impacts - Aid to Tourism, Travel or Hospitality		13	515	yes	Approved at 10/26/21 COW Walked on at 10/26/21 Work Session 1st Reading 10/28/21 Council Meeting
2	Affordable housing	\$10,000,000	Lexington has a number of projects ready to go in the affordable housing pipeline, and this funding would make a significant impact on addressing the availability of affordable housing.	Equity Services	3.10 Services to Disproportionately Impacted Communities - Housing Support: Affordable Housing		36	23, 17, 21, 22, 18, 19, 20, A27, 474, 477, 143, 291		Approved at 10/26/21 COW Walked on at 10/26/21 Work Session 1st Reading 10/28/21 Council Meeting
3	Critical Government Needs	\$30,000	\$30,000 request from Aldona. \$10k to partner with Scott County/Spectrum to address needs of northern Fayette - 250 households. Opportunity to impact all rural residents, 15,000 households with \$20k to develop RFP and prepare for passage of Federal Infrastructure bill.	Infrastructure	5.16 - Infrastructure and 6.1 Revenue Replacement - Provision of Government Services (Broadband qualifies under Infrastructure 5.16 or 5.17 for \$30,000)		18	146, 81, 91, 179, 278, 439, 458, 459, 460, 461	yes	Approved at 10/26/21 COW Walked on at 10/26/21 Work Session 1st Reading 10/28/21 Council Meeting
Total Approved Projects:		\$ 11,030,000			Total Approved 6.1 Revenue Replacement Projects:	\$ -				
4	Growing Lexington's Tree Infrastructure	\$2,500,000	This project would expand the tree canopy in Lexington. Funding would plant trees, utilize technology to track growth of tree canopy, educate the public, and develop work force.	Infrastructure	5.6 Infrastructure Clean Water: Stormwater		22	231, 501, 499, 228, 500, 226, 241, 300, 505	yes	Community Partner: Trees Lexington! The whole panel agreed to fund the TreesLexington request to some degree, and to look at the other tree requests to see if they can be fulfilled with money given to TreesLexington.
5	Black & Williams Center Gymnasium Rehabilitation	\$590,000	This project will return the currently shuttered building to an accessible, environmentally safe condition, with modernized utility infrastructure. Proposed scopes of work include mechanical, electrical and plumbing system upgrades; environmental abatement; and installation of ADA-accessible restrooms. The goal of this project phase is restored functional use of the facility, with access and benefit to nearby residents and community-based organizations.	City Government Needs & Public Safety	3.13 Services to Disproportionately Impacted Communities - Social Determinants of Health: Other		1	A4	yes	The gymnasium is located adjacent to the Black & Williams Center (main building) at 498 Georgetown Street. LFUCG manages the center, which provides services and programs supporting multi-generational populations.
6	Summer Youth Employment Expansion	\$920,000	Propose funding FY23 and 24 traditional programming at \$360k each and expand program by \$100k each year. Expansion has been called for in the commission report and numerous town halls to serve vulnerable youth. This also would ease a great deal of pressure on the General Fund in the next two years.	Economic Growth	2.7 - Negative Economic Impacts - Job Training Assistance (e.g. Sectoral job-training, Subsidized Employment, Employment Supports or Incentives)		3	466		Also a recommendation from the Equity Services Subcommittee
7	Distillery District Revitalization Investment Opportunity: Stream Restoration, Wayfair Signage, DD Entrance Signage, Streetscapes	\$5,000,000	This ties into the Park and Trail, as the stream is a centerpiece in the DD, the Trail and the Park. Also, DD entrance and wayfair signage, and streetscapes, will beckon people from the Park & Rupp Arena (which are contiguous to the DD) to come into the DD and follow along the trail in the DD.	Economic Growth	Need more specific information in order to qualify this project.		4	158	yes	One of two projects under the same ID.
8	Proposal to Expand Commerce-Lexington's Minority Business Accelerator	\$991,000	The mission of Commerce Lexington's Minority Business Accelerator (MBA) has always been to accelerate the development of sizable ethnic minority-owned businesses (MBE's) and to strengthen and expand the minority entrepreneurial community within Lexington/Fayette County.	Economic Growth	2.7 - Negative Economic Impacts - Job Training Assistance (e.g. Sectoral job-training, Subsidized Employment, Employment Supports or Incentives) or 2.9 Negative Economic Impacts - Small Business Economic Assistance (General)		2	556	yes	Community Partner: Commerce Lexington

List No.	Project Name	Estimated Cost	Subcommittee Proposal Description	Bucket	Expected Expenditure Category	Revenue Replacement	Total Frequency	IDs	Form/Additional Info	Notes
9	Economic Recovery & Growth: Transforming Lexington History Museum's Tourism Impact		Revitalize the Lexington History Museum (LexHistory) by consolidating the collection into a single, climate-controlled storage/preservation location; providing programming and services in a temporary museum until a permanent location is secured; converting portions of the collection into a virtual museum to expand access/provide valuable resources to the community; and securing a permanent facility to house and exhibit the museum's collection, thus securing and enhancing its future as an essential community asset and valuable element in Lexington's tourism strategy mix	Economic Growth			4	168		Subcommittee would like the whole council to consider this but there are reservations about how this fits with ARPA
10	Housing Stabilization & Homelessness	\$5,000,000	Allocate total amount to assist the Office of Homelessness Prevention and Intervention with ongoing housing needs.	Equity Services	3.11 Services to Disproportionately Impacted Communities - Housing Support: Services for Unhoused Persons		21	257, 254, 154, 552, 318, 172, 180, 397, 44		Total amount to go to OHPI
11	Public Health	\$3,000,000	The Delta variant of COVID-19 is on the rise, and other variants will likely follow. As we anticipate the need for booster shots and vaccine approval for kids under 12, we will again need to rise to the challenge to assist in vaccine distribution. It is uncertain at this point that we will see the same level of state assistance in getting our community vaccinated, so it is imperative that we put the funding in place to assist our partners. This may also be used to reimburse LFUCG for the role our paramedics play in supporting these sites.	Equity Services	1.1 Public Health - COVID-19 Vaccination		6	A1		
12	Non-Profit Capital Projects & Programming	\$9,000,000	Utilize one time funds to assist with capital and programming needs to grow the capacity of community partner agencies that provide critical services to our most vulnerable populations. This fund would be utilized to address the capital and programming needs of these agencies, thereby creating more capacity for them to reach more residents and provide more services.	Equity Services	2.10 - Negative Economic Impacts - Aid to Nonprofit Organizations		195	478, 502, 98, 456, 497, 304, 74, 107, 200, 244, 429, 437, 4, 30, 164, 112, 108, 125, 503, 196, 167, 1		
13	Safety Net	\$350,000	To add more street outreach workers: The Lexington Rescue Mission's street outreach workers have been a critical component of the Safety Net program and many other violence intervention initiatives. Lexington Rescue Mission has proposed a plan to transition and grow Safety Net over 3 years that will allow it to add more street outreach workers, expand its partnership with the city and become self-sustaining by the end of the third year. The funds proposed would finance the transition and growth period.	Equity Services	3.16 Services to Disporportionately Impacted Communities - Social Determinants of Health: Community Violence Interventions		2	542		Community Partner: Lexington Rescue Mission
14	"It Takes a Village" Mentoring Program Expansion	\$240,000	The pilot program created by the One Lexington Director this summer addressed significant needs in our community to mentor youth and expose them to positive opportunities and leaders. With an \$80,000 per year budget, the program could be expanded to serve 100-125 youth for 10 weeks in the summer, and extend our student support into the school year as well. We could operate in multiple locations.	Equity Services	3.16 Services to Disporportionately Impacted Communities - Social Determinants of Health: Community Violence Interventions		5	281		
15	One Lexington Transportation	\$40,000	Provide transportation for ONE Lexington	Equity Services	3.16 Services to Disporportionately Impacted Communities - Social Determinants of Health: Community Violence Interventions		3	373		Potentially place under Fleet Services proposal in City Government Subcommittee. Use Fund Balance/Budget Stabilization, whichever avenue results in getting the vehicle quickest.

Council ARPA Subgroup
All Proposals

List No.	Project Name	Estimated Cost	Subcommittee Proposal Description	Bucket	Expected Expenditure Category	Revenue Replacement	Total Frequency	IDs	Form/Additional Info	Notes
16	RADIOLEX	\$78,000	Provide funds for RADIOLEX for relaying critical COVID information throughout the pandemic in multiple languages and to underserved populations in Lexington	Equity Services	2.10 - Negative Economic Impacts - Aid to Nonprofit Organizations			419	yes	Public Health reimbursement. Could fund with Fund Balance or Budget Stabilization
17	Renovate Dunbar Community Ctr	\$1,350,000	Renovation includes roof replacement and ADA compliant restrooms on each of the 3 floors as well as a single user restroom.	Parks & Rec	3.13 Services to Disproportionately Impacted Communities - Social Determinants of Health: Other		1	386, A15, 12,		
18	Expand Valley Neighborhood Ctr	\$1,000,000	The expansion of Valley Neighborhood Center would double program space and serve the underserved community. Design is complete and ready to bid (shovel ready). This expansion will allow for the demolition of the building in Wolf Run currently being used for programming which cannot be improved due to its location in the floodplain.	Parks & Rec	3.13 Services to Disproportionately Impacted Communities - Social Determinants of Health: Other		1	386, A15, 12,		
19	Whitney Young Park	\$125,000	Fund park improvements and/or repairs for Whitney Young Park which is located in an underserved area and in need of renovations. Funding is to be used to address the priority needs of the park and the community	Parks & Rec	3.13 Services to Disproportionately Impacted Communities - Social Determinants of Health: Other		1	386, A15, A24		
20	Coldstream 200 Acre Site - Site Development	\$17,500,000	One time transformational opportunity to invest into the infrastructure of Coldstream Park which will quickly accelerate the sale of the land/business creation for future revenue.	Infrastructure	5.2 Infrastructure Centralized Waste Water Collection and Conveyance Sanitary Sewer: \$2,582,889, 5.6 - Infrastructure Stormwater : Water Quality \$772,000 and Storm Sewer \$1,186,826, 5.11 Infrastructure - Drinking Water Transmission & Distribution - Water Service: \$5,777,160 Remainder 6.1 Revenue Replacement - Provision of Government Services	10,845,462	9	118, 157	yes	Economic Growth Subcommittee recommended a related proposal (157) to develop properties to attract businesses to Lexington to be considered under the Coldstream proposal.
21	Critical Government Needs	\$2,800,000	Essential purchases to support critical services in government that can be done here without going into a bond and creating long term debt; projects include: \$400k cybersecurity, \$1m salt barn, \$400k phones, \$700k police annex and hq., \$300k solar panels on city buildings	Infrastructure	5.16 - Infrastructure and 6.1 Revenue Replacement - Provision of Government Services (Broadband qualifies under Infrastructure 5.16 or 5.17 for \$30,000)	2,800,000	18	146, 81, 91, 179, 278, 439, 458, 459, 460, 461	yes	\$2 million for fleet is represented by the City Government Needs & Public Safety subcommittee. Funding proposal for salt barn (\$1 million ARPA requested) would also include urban services and landfill funds. Total Cost: \$3,155,100
22	Bike / Ped Initiatives	\$1,200,000	\$1.2MM total would be expended for the design phase of the following bike/ped initiatives: Brighton Rail Trail Connection (Liberty Park/Elementary) 2 sections of a Harrodsburg Road Trail Manchester St Pedestrian Facility	Infrastructure	3.13 Services to Disproportionately Impacted Communities - Social Determinants of Health: Other, 6.1 Revenue Replacement - Provision of Government Service (Manchester portion in QCT)	1,140,000		152, 270, 52, 189, 394, 64, 295, 337, 351, 395, 445	yes	This is funding the design phase only.
23	Lexington Fire SCBA replacement	\$3,100,000	This capital project is for total Self-Contained Breathing Apparatus replacement. The LFD has applied for a federal grant and did not get it. Current SCBAs are 3 NFPA cycles out of date and will require replacement within the next 1-2 years.	City Government Needs & Public Safety	6.1 Revenue Replacement - Provision of Government Services	3,100,000	7	310	yes	

Council ARPA Subgroup
All Proposals

List No.	Project Name	Estimated Cost	Subcommittee Proposal Description	Bucket	Expected Expenditure Category	Revenue Replacement	Total Frequency	IDs	Form/Additional Info	Notes
24	Fire Fleet Replacement	\$6,100,000	Funds would replace 6 Engines - \$750,000 each (6,17,18,19, 22 and 23); replace Ladder 5 - \$1,200,000; replace 1 EC unit - \$400,000	City Government Needs & Public Safety	6.1 Revenue Replacement - Provision of Government Services	6,100,000	7	307, 201		This is a necessary expense for LFUCG and will have to be funded in the near future in some way.
25	Police Fleet Replacement	\$5,030,300	Funds would replace 97 vehicles with Chevy Tahoe and Toyota Camry models	City Government Needs & Public Safety	6.1 Revenue Replacement - Provision of Government Services	5,030,300	1	A17	yes	This is a necessary expense for LFUCG and will have to be funded in the near future in some way.
26	General Fleet Replacement	\$4,002,669	Funds would replace 47 vehicles for various units of government (minus police and fire)	City Government Needs & Public Safety	6.1 Revenue Replacement - Provision of Government Services	4,002,669	1	204	yes	This is a necessary expense for LFUCG and will have to be funded in the near future in some way.
27	Hybrid meetings and meeting space improvements	\$200,000	Improve infrastructure to support the continuation of virtual and hybrid meetings, including upgrades to the Phoenix Building 3rd floor conference room and the council chamber, to allow for hybrid meetings for all of the city's boards, commissions and council.	City Government Needs & Public Safety	6.1 Revenue Replacement - Provision of Government Services	200,000	2	262, 514		An RFP would be necessary to determine the actual cost.
28	Fire Training Academy	\$2,500,000	Build an additional building/structure on the FTA campus that would provide enough space for training apparatus (fire trucks), in addition to recruit classrooms, and male/female bathrooms (with showers and lockers) to meet demands of the campus's daily occupancy.	City Government Needs & Public Safety	6.1 Revenue Replacement - Provision of Government Services	2,500,000	3	306	yes	Third party and internal reviews of the site have shown deficiencies in the area of restrooms, showers, proper storage and fume exhaust. This is a necessary expense for LFUCG and will have to be funded in the near future in some way.
29	Youth Sports Complex	\$20,000,000	Further serious consideration of a regional youth sports complex with multisport (e.g. soccer and baseball) turf fields and the pursuit of public-private partnerships to accomplish the project.	City Government Needs & Public Safety	6.1 Revenue Replacement - Provision of Government Services	20,000,000	1	534, 426		Fund a site study at a cost of \$30,000 with fund balance to provide additional information and allow for serious consideration of the proposal
30	Town Branch Park	\$7,500,000	Support for public infrastructure access into the park	Economic Growth	6.1 Revenue Replacement - Provision of Government Services	7,500,000	3	41		
31	Davis Commons Project	\$12,000,000	Includes a permanent multi-use indoor/outdoor space for the Lexington Farmers Market that would have regular markets and community programming. This project has the potential to be combined with the LFUCG Center for Economic Development that would be located in the Davis Bottoms area.	Economic Growth	6.1 Revenue Replacement - Provision of Government Services	12,000,000	11	153, 195, 532	yes	Community Partner: Lexington Farmer's Market
