RE: Gary Baldock

To: The Honorable Judge

I was asked by the family to submit a letter of character reference for Mr. Baldock. I have known Mr. Baldock most of my adult life along with his family and have always found Mr. Baldock as an upstanding citizen and one that has always served in law enforcement in my community in the past before moving to his current community of Somerset. I have always held Mr. Gary Baldock and his family as a good upstanding family in our community and considered them as a friend. Mr. Baldock has been away from my community for several years. But I was aware that he was serving in law enforcement within the county of Pulaski.

While I was shocked when I heard the news of Mr. Baldock and the incident in which he was involved which resulted in the case that is now before you, I am in hopes that after all is said and done that everyone involved in this matter will be able to come out on the other side as better people, healthy and safe.

I want to thank you for your time and hope that you will take my letter to you into consideration. This is a very unfortunate situation and I am sorry that it happened for all that is involved.

Sincerely,

  
Tommy Miller

To Whom It May Concern:

I am writing you in regard to Gary Baldock. I Andrew Lay have been a Police Officer for the City of Harrodsburg for 7 years. I have known and been friends with Chad Baldock and Brad Baldock since high school. I have known Gary Baldock, their father for approximately 2 years. During this time while our contact is limited I have always known him to hold all law enforcement in high regard. When I learned of the incident involving Gary and the FBI I was extremely shocked by the information (which is very limited) which I had received. I have observed that Gary raised Chad and Brad to be fine respectable men who are committed to their family, community and country and it is my belief that is the strongest testament to Gary's character.

Sincerely,

A handwritten signature in black ink, appearing to read "Andrew Lay", written over a horizontal line.
